Dear D. Wayne Hedberg, Permit Supervisor:

I apologize for my slow response to your letter dated December 2, 1994. Several items have required my immediate attention since that time, much of which has required extensive traveling.

Akzo Nobel has had preliminary talks with Tooele County, and they are responsive to the idea of generating a letter to address post mining use for the Timpie location.

Work will begin shortly to secure the information you have requested. It appears I can respond by the last of May, 1995. Please inform me if this timing presents a problem. Thank you.

Sincerely,

Danny L. Bauer
Plant Manager
